I am a Merit Scholar and Rank holder Mysore University, and I was bestowed the Sree Jagadguru Jayadeva Murgharajendra Mahaswami Scholarship being the first best among the students of the Veerashaiva community in the College After I completed my Law course I was called to the Bar and I practiced as an Advocate for about 2 years. Although I was getting on well at the Bar, I was tempted to accept Government seevice as I was started on Rs. 60/- and I expected to rise up very soon Due to the benovelence of the present Minister for Local Self Government and Public Health and the then Deputy Commissioner I was promoted and appointed as Chief Officer to this Municipality.

Ever since I took charge as Chief Officer I have been endeavouring to the best of my ability to improve the resourses of the Municipality, to increase the efficiency of the staff and to do my best to the citizens of this town The income from Octroi has very nearly doubled due to effective supervision During the Inspection of this Office on 14 4 44 you were pleased to observe that the Mohatarfa collections are slack and that the collection work should be speeded up and that by the end of the present official year, the whole of the current demand should be wiped out and about two thousand rupees from the arrears should also be collected I humbly submit that I have been able to achieve this I have personally gone in the town with the Bill Collectors every day during the present quarter and I have endeavoured to the best of my ability and I have been able to reduce the arrears by about 4,000/- in addition to the collection of the entire current

current demand.

In view of my acedemic qualifications and satisfactory work I humbly request you to strongly recommend to the Government to promote me as I Grade Chief Officer.

For which act of kindness I shall ever remain grateful to you Sir,

I beg to remain,

Mr. M Gurusiddiah studied in this College throughout his B A Honours Course in Economics, his second language being Kannada, and secured Second Class Honours in the Degree Examination He held a merit scholarship throughout his course, and also the Sri Jagadguru Murugharajendra Manaswami Scholarship His work was of very high quality, and very consistent He did excellently in all subjects, and it is unfortunate for a man of his all-round ability that only a pass can be declared in the honours preliminary examination, since he was capable of distinction in English and Second Language His conduct was entirely satisfactory. He played tennis and hockey, and was a member of the Rover Scout Troop.

Mr. M Gurusiddiah has been a student of outstanding ability. His educational record has been bright. He was a merit scholar in the Honours Class and he missed his First Class in the Honours examination by a small margin He is well read and he can express his thoughts tersely and elegantly. His essays revealed a considerable power of independent thinking and a capacity for assembling and arranging and interpreting facts He possesses a sterling character and a mild and agreeable disposition. He is most earnest in the performance of his duties.

Mr M Gurusiddaiya, B.A.(Hons.), LL B., for whom I write this testimonial, was a brilliant student of his time, securing nearly 100 per cent in a few of his optional subjects. His presence in the class was a source of pleasure to his teachers and of inspiration to his class-mates. He has a quiet and dignified bearing about himself and is a gentleman. It is so rare to find many young men of his type among the fellows of his generation.

This is to certify tha I know Mr. M Gurusiddieh for a very long time. He comes from very respectable ancient Inamdar & family The family had been estowed by the Pallegars of Chitaldrug the entire revenues of a vilage near Chitaldroog. It is unfortunate the family has lost these Inands now His character and conduct are good He has been exceptionally a bright student in the College He was the only one to hold the Merit Scholarship in the community to which he belongs. He deserves every encouragement at the hands of the Governmnt. I fervently wish he gets the appointment for which he now seels.

During my time I have earnestly tried to improve the resources of the Municipality Under my Strict Supervision I have been able to collect octroi duty amounting to Rs 17,700 ~~Compared to the~~ last year the income from this source

The income and expenditure of this Municipality are gradually increasing and the work to be done by the Chief Officer is also increasing As the income of this Municipality is nearing one lakh of Rupees there is need for revising the scale of the present Chief Officer Now I am getting Rs 84 in 80-4-100 and I have been placed as II grade Chief Officer and I get my next increment Rs 88/- on 11-2-1945

I therefore request you to kindly Consider my case and recommend that the scale of the Chief Officer of this Municipality be revised from II grade to I grade and that I may be given the benefit of the new grade If it is not possible to convert the II grade to I grade at present at least I may be given the maximum pay of Rs 100/- in the present grade itself

During the last inspection by the Deputy Commissioner he was pleased to observe that I should collect the entire current demand and reduce the arrears by 2 or 3 thousand this year and I humbly submit that I have been able to carry out these instructions I have collected the entire current demand and reduced nearly 3 to 4 thousand Rupees out of arrears I therefore request you to kindly ~~place this matter before the Municipality~~ recommend
